## EXPERIENCE

### University of Michigan, Instructional Aide                    01/2020 - 04/2020
- Provided assistance to the professor in lectures and grading for EECS 494. Handled sensitive student information such as assignments and grades.
- Aided student learning of iterative design principles and game development and testing.
- Contact: Austin Yarger - ayarger@umich.edu

### WolverineSoft Studio Summer Project - Pod Lead                    05/2020 - 08/2020
- Lead and managed the level design pod. Coordinated efforts from designers, artists, programmers and musicians to design fun, engaging, and consistent levels.
- Responsible for managing tasks, documentation, and code repository using Atlassian software.
- Iterated and redesigned levels based on playtesting feedback from a variety of sources, including game industry professionals.

### 1Cademy Student Movement - Video Designer                    06/2020 - 08/2020
- Created engaging and descriptive video tutorials for 1Cademy, a web-based, cooperative learning platform for university students and researchers.
- Promoted platform to schools across the country though an animated motion graphics video.
- Contact: Iman Yeckehzaare - oneweb@umich.edu

## ADDITIONAL EXPERIENCE

- **WolverineSoft (Game Development Club) - Treasurer** (01/2020 - Present)
  - WolverineSoft Game Jams (3/22/2019, 11/22/2019)
- **Michigan Animation Club** (09/2018 - Present)
  - Hospital Project
    - Animated a section of an education video based on an animatic.
